Within each Excel file you will find a SUPPLEMENT MARKUP page with a cell to set your preferred markup. A 100% markup reflects our prices. Entering 200% will double our prices, 300% will triple our prices and so on. When using the markup function, always check your numbers to ensure it is working properly. Barkman Furniture does not guarantee the accuracy or formulation of this spreadsheet. User assumes all liability. Please contact us immediately if any part of the spreadsheet does not function properly. A minimum 225% markup must be implemented for all internet sales.	$3

Within each Excel file you will find a SUPPLEMENT MARKUP page with a cell to set your preferred markup. A 100% markup reflects our prices. Entering 200% will double our prices, 300% will triple our prices and so on. When using the markup function, always check your numbers to ensure it is working properly. Barkman Furniture does not guarantee the accuracy or formulation of this spreadsheet. User assumes all liability. Please contact us immediately if any part of the spreadsheet does not function properly. A minimum 225% markup must be implemented for all internet sales.
